THE HEALTH OF RAVENNA .- - Reports have been circulated, that the Cholera was raging in Ravenna and that two or three fatal cases have occurred from this terrible malady. We wish to assure the public that these reports are entirely unfounded in fact. Our fellow townsman Newel Clark Esq. having been to Cleveland a few days since, was taken a short time after his return with a disense pronounced by his physicians to be cholera. He was very low with it for several hours, but he is now recovering, and we all hours, but he is now recovering, and we Thursday afternoon and Thursday until 3 o'clock P. But for the wishes of a dependant family, I should not have enjoyed this pleasure and probably neveragain applied to any physician, at least such was my determination. I had tried many and as many and as many times were hopes revived and followed by titter disappointments. It utterly disheartened.

During 1847 and two succeeding summers I had the ague which see much to have a most disastrous effect upon the constitution. Under bracing treatment I was enabled to labor a short time then compelled to desist.

For a vear before seeing you I was suashle to hab r at all and a part of the time confined to my room. Physicians treated me for Bronchitis and disease of the liver and Spieen. I was thin in facet, weak and bowed down and suffering almost constantly from coldness of surface and limbs, had cold sweats at night and pain, sometimes very acute from side and chest to the shoul terested, that the Executors and Administrators on the following estates, have presented to the Court of Probate, for the county of Portage, in the State of Ohio, their seyeral settlement accounts which are placed on file in the office of the ludge of said Court and continued for the inspection and exception of all persons interested, until Monday the 2d day of October, A.
